

Chingford,
London,

Dear Mary, Annabel and every one at the Dream Factory.

A very big thank you for arranging my dream to meet Anthony Horowitz . I had a fantastic day. I had the chance to ask him lots of questions about his books.

He gave me lots of the tips on writing a good story. He showed me round his study which was awesome.

He gave me lots of books which he signed! I will treasure these.

The limo was completely unexpected and was a brilliant touch to a perfect day.

Thanks again.

Angus
