

PUBLICITY CONSENT FORM

CONSENT TO PHOTOGRAPH, FILM AND/OR INTERVIEW A CHILD OR YOUNG PERSON

We are often asked by newspapers, magazines and television for photographs, films or interviews with children or young people who have had a Wish or Dream granted. Your child will not be involved unless you agree.

A member of The Dream Factory will explain what the photograph, film or interview is for and how it will be used. Please contact them if you have any further concerns or questions.

We will ask your permission if we wish to re-use a photograph, film or interview we have taken but we have no control about the re-use if they have been taken by an outside organisation.
